# Hotel Info

## Objectives

This program is designed for the practicing surgeon. It is meant to provide an update in the various disciplines of surgery with application to daily practice, and to enhance the knowledge of the participant in these areas. The program is intended to meet the needs of surgeons in clinical practice for up to date information on the latest techniques in general and specialty surgical areas and to provide a means for surgical students and researchers to report the results of their research.

*\*Nurses, Physician Assistants and other Medical Professionals may very well benefit from this program.*

## Accreditation

The American College of Surgeons is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

## CME credits

The American College of Surgeons designates this live activity for a maximum of **11 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation to the activity.

## Disclosure Information

In compliance with ACCME Accreditation Criteria, the American College of Surgeons, as the accredited provider of this activity, must ensure that anyone in a position to control the content of the educational activity has disclosed all relevant financial relationships with any commercial interest. All reported conflicts are managed by a designated official to ensure a bias-free presentation.
